1. A [REDACTED] of the DD/P complex, phoned respecting a proposed briefing of [REDACTED] Strong and Perry of State Department as well as General Willems of G-2. [REDACTED] desired that the DD/I offices brief these gentlemen on Thursday morning next. I later spoke to Messrs. Dulles and [REDACTED] on this and thereafter phoned [REDACTED] on Monday and informed him that the DD/P complex should continue with its briefings; we would invite these gentlemen to regularly scheduled IAD briefings at some later date.

2. Phoned [REDACTED] and indicated my belief that the current NSC interest in East-West trade could be used to break the log-jam on NIE-59.

3. With Mr. Amory made a final review of the memorandum for Mr. Cutler respecting East-West trade figures.
